Cost

Please visit your Training Providers website for more details.

Qualification Overview

This qualification is designed to give you the skills, knowledge and behaviours to become an effective Educator, to inspire others and create a successful learning environment.

Framework

About the Qualification

The course covers three mandatory units and is a formatted balance of theoretical and practical learning to ensure that vocational skills lead the study with underpinned knowledge embedded throughout. This qualification has been designed to enable Candidates to:

- Understand the role of an educator
- How to create effective learning sessions with clear objectives
- Value needs of learners and understanding barriers to learning
- Effective methods of assessments
- How to create a safe learning environment
- Be able to select and use appropriate reflection models

What will the qualification cover?

Unit 313: The role of an Educator within the Canine and Feline learning environment

Unit 314: Planning for inclusive learning and assessment within a Canine and Feline learning environment

Unit 315: Facilitate and deliver effective teaching to meet the needs of learners within a Canine and Feline environment

Assessments

There are 3 formal written assessments to cover the units, along with:

- Each Candidate must deliver at least one 15-minute micro-teaching session that is observed and assessed
- Complete a learning plan
- Complete a micro-teach observation record
- Risk assessment for micro-teach
- Self-evaluation tool
- 3 x Peer Group Evaluation Forms completed by the students they taught
